

DIGITAL FORENSICS PRICE SHEET

These are all typical price ranges based on previous forensic cases we have worked. Prices can be lower or higher than the typical range listed based on your individual circumstance. If you need forensics for a court case or any potential litigation (divorce, custody, criminal charges, etc.) expect fees to be on the higher side or more.

NEED PHOTOS RECOVERED?

\$300-\$1,000

Price is based on the amount of data needing to be recovered.

PHONE WON'T TURN ON AND YOU HAVE NO BACK UP?

\$600-\$2,000

We can work on that.

NEED DELETED TEXTS RECOVERED?

\$1,500-\$3,500

Based on the size of the phone and the amount of messages on the phone.

PRESERVATION IMAGE OF DIGITAL DEVICE

\$800-\$2,500

Based on the device size.

DID YOUR COMPUTER/SERVER CRASH AND DELETE EVERYTHING?

\$1,500-\$7,500

Billing is based on hard drive size.

THINK YOU'VE BEEN HACKED OR TRACKED?

\$5,000-\$10,000

Whether you think it's just your phone or your email or you think your entire life has been hacked.

THINK YOU HAVE A MICROCHIP IN YOUR BOOT?

\$7,500-\$20,000

Yes, we've seen this before.

ANYTHING ELSE?

\$???

Got something that's not listed above? We can probably handle it and would certainly love to talk. Give us a call and put us to the test.
